United Way Your Gift Matters

When you give to United Way of the Quad Cities Area, your gift is magnified by the investment of others and has the power to bring about the changes that matter most in our community.

FOR JUST \$3 A WEEK YOUR GIFT CAN:

Provide a rape crisis advocate to the victim of rape or sexual assault so he or she can regain control of their life and participate more fully in the life of the community through ongoing group and individual counseling and legal or medical assistance. Prepare 30 babysitters to respond to first-aid emergencies - possibly saving the life of a child.

Give a women and her children hope for a brighter future by providing 7 nights of shelter from domestic violence. Give 2 children greater self-confidence and improved school performance thanks to their year-round Big Brother or Big Sister. Improve the quality of life for a family experiencing Alzheimer's by providing a day of adult day care and therapy to the individual with Alzheimer's - and a much-needed respite for his or her caregivers.

Help a set of new parents better understand the health and child development needs of their baby by providing 6 hours of in-home visits. Give greater independence, health and companionship by providing 50 at-home visits and meals to a home-bound senior citizen.

.....

These results are based on a gift of just \$3 a week - equivalent to the cost of a large cappuccino, the cost of a magazine at the news stand, or the cost of a Happy Meal from McDonalds.
