Dear Mr. Trumka:

On behalf of the United Way for the Greater New Orleans Area, thank you for your support of United Way. I had the pleasure of reading your "United Way endorsement memo" recently and simply want to relay my sincere thanks for your endorsement of United Way.

Here, in New Orleans, our United Way has enjoyed a tremendous relationship with organized labor. Whether it is in the form of financial contributions or contributions of time, organized labor is doing their part to support children and families in our region. Your endorsement is a true sign of your leadership and, clearly, a call to action heard by your members.

Again, thank you for your endorsement of United Way. Together, we are living united!

Sincerely,
